Aloha! My name is Edward Clayton and I am a candidate for the Hawaii State House of Representatives representing District 50 on O'ahu's windward side.

Growing up in rural Alabama I learned hard work and honesty. As a United States Marine, I learned honor and duty. As a resident of Hawai'i, I have learned the meaning of 'ohana and aloha!

Today there are many important issues facing us in our island paradise. Education, environment, transportation, tourism, government services, the economy, and taxes are just a few of the important issues that have a direct effect on the quality of our lives. Many of the decisions we make in the next few years will shape our Hawai'i of tomorrow and I want to be a part of the process that shapes that future.

The people of this great state have demonstrated such a wonderful attitude of equality and acceptance and I want to contribute in kind. With your approval and support I will be honored to serve as your voice in the State House of Representatives.

I invite you to visit my campaign website at www.edwardclaton.com to learn more about my ideas and opinions. Your kokua of my candidacy is deeply appreciated. Malama Pono!

Me Ke Aloha Pumehana
